Catering Menu

In 1906, founder Gust Mitchell established Mitchell's in Downtown Pittsburgh with the principles "excellent home cooked food, served fast and friendly, at a reasonable price". For over a century and through four generations, Mitchell's Restaurant has been run by these principles enabling us to become the oldest restaurant in Pittsburgh. The same enduring principles are applied to our catering services.

If you are having a special "theme" party and desire any items not listed below, please inquire. Our creative Chef is incredible and we will do anything we can to meet your needs.
