## Catering Menu

In 1906, my Grandfather established Mitchell's Dining Room on the corner of Washington and Wiley. Through 114 continuous years and 3 generations, Mitchell's has served Downtown Pittsburgh good, home cooked lunches, with fast and friendly service, at a reasonable price.

With the closing of our lunch service, Friday, March 30, 2018, those same principals, which have kept Mitchell's in business in Downtown Pittsburgh for over one century, will continue as I expand my Corporate Catering.

I thank our longtime, loyal lunch customers for their years of patronage. Although you may no longer come to my restaurant for a home cooked meal, you can still have it delivered to your office or special event center.

Thank you,  
 Jim Mitchell  
 3<sup>rd</sup> Generation Owner
